Registration Information for 2022-2023

All preschool classes meet on their designated days at the following times. Due to a limited enrollment, we will accept children on a first come basis. To reserve a place for your child for the coming school year (September thru May), you will need to bring in a supply **fee of \$75 along with this registration form**. This fee is only refundable if you move out of the area before school begins. We follow the Greater Albany Public School (GAPS) calendar for holidays, Winter and Spring break, but are open on several of the in-service days. Tuition is due by the 10th of each month and includes the cost for us to provide a healthy snack for each day your child is here.

Please make the check **payable to Pre-Primary School**. If you have any questions, please call the director at 541-917-1931.

Speech and Language Therapy 1x/week monthly fee

In addition to our regular classes we are able to provide speech and language therapy for children, ages 3 through 5. Our speech therapist is available to screen, give assessments, provide an individual plan, and therapy once a week. Individual attention is given to each child in the classroom or they are pulled out for individual instruction time to stimulate language development. Partial funding of this class is provided by United Way of Linn County.

Around the middle of August you will receive back-to-school information and additional registration forms letting you know when to come for orientation day, which will be after Labor Day, on Sept. 8 or 9. Orientation day is a chance for your child to meet their teachers, get familiar with the classroom, and parents will receive any updates to the Preschool Policy Handbook. Our first official days of school will be September 12/13.

Please call if your contact information changes over the summer.
